

Things to Remember:

- ❖ All programs are free (excluding workshops); however there is a gate fee to enter McCormick's Creek State Park.
- ❖ Hikes will continue regardless of weather conditions.
- ❖ Bring drinking water.
- ❖ Long pants, sturdy shoes, and hat recommended for hikes.
- ❖ Please remember these simple Leave No Trace Ethics: stay on established trails and leave plants, animals and natural objects as you find them.

Thank you for coming!

Friday and Saturday
July 22nd & 23rd
Presented by the
Nature Center

Program Schedule

Friday, July 22nd 2011

Butterflies of Southern Indiana

7:00 p.m. – 8:30 p.m.

Meet: Nature Center Program Room

Sandy Belth will teach you how to identify the butterflies of Southern Indiana. She will also discuss butterfly conservation.

Saturday, July 23rd 2011

Butterflies of McCormick's Creek Hike

10:00 a.m. – 12:00 p.m. (Noon)

Meet: Nature Center

(Strongly recommended for adults and older children)
Butterfly Specialists Jeff and Sandy Belth will share the basics of butterfly identification and introduce you to some of the butterflies of McCormick's Creek State Park. Long pants, sturdy shoes, and a sun hat/sun block are recommended for this walk.

Face Painting – Become a Butterfly!

10:00 a.m. – 12:00 p.m.

Meet: Nature Center Amphitheatre

Get your face painted with beautiful butterfly designs.

Butterfly Crafts and Activities

11:00 a.m. – 1:00 p.m.

Meet: Nature Center

Enjoy a variety of butterfly themed crafts and activities. Check out the program room to learn about the perils of butterfly migration. Roll the dice to see if you survive the trip!

Workshop – Butterfly Nets

1:00 p.m. – 3:00 p.m.

*****Resources are limited, so pre-registration is required.**

(Stop by the Nature Center or call 812-829-4344)

\$5.00 per person

Meet: Nature Center

Come learn how to safely collect and observe beautiful butterflies while making your own butterfly net.

Butterfly Habitat Hike

3:00 p.m. – 4:00 p.m.

Meet: Nature Center

Take a hike around the Nature Center to look at woodland butterfly habitat. Be ready to put those new butterfly nets to use! Appropriate for all ages.

Butterfly Gardens and Habitats

6:00 p.m. – 7:30 p.m.

Meet: Nature Center Program Room

Join butterfly expert Sandy Belth to learn how to attract butterflies to your own backyard with native plants and other garden features. Following the program will be light butterfly themed refreshments.
